# EduQuest - Comprehensive Exam Prep Hub

Problem Statement

Students struggle with practice, progress tracking, exam updates, and time management. A web-based platform can provide tailored practice, centralized updates, and study planners to improve exam preparation.

Block Diagram

Conclusion

A web-based platform improves exam preparation by offering targeted practice, personalized learning, centralized updates, and effective study tools, helping students and coaching institutes achieve better results.
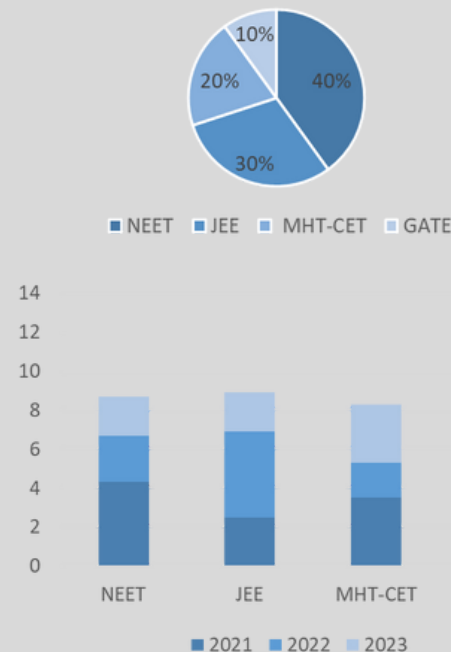

Objectives

Targeted Practice: Offers exam-specific questions.

**Personalized Learning:** Tracks progress for better readiness.

Exam Updates: Centralizes key exam information.

Time Management: Helps plan study schedules.
